Metrologists United

is a dedicated group of NISTers working to organize a chapter of the American Federation of Government Employees (AFGE) to represent all federal staff at NIST. If you agree that NISTers should have the option to form our own AFGE chapter:

1. Fill out this SOI card in pen with your *personal* contact information, including phone number and address (email optional but encouraged).
2. Submit this card to NIST AFGE organizers by:
 - a. Returning the physical card to the organizer who gave it to you, or
 - b. Sending a scan or picture of it to nist.afge@proton.me.

All SOI cards will be stored securely until the petition is formally submitted to AFGE.
